Situated down a long driveway, this newer steel-framed home is available for your most discriminating buyers! With high ceilings, hardwood floors, split AC units, granite counter, recessed lighting, and a great room off of the cook's kitchen, this home is conveniently located close to H3, Pali, & Likelike highways. Lush, tropical rear yard is fully fenced, with large patio area off of the great room. Expansive 11,000+ SF lot provides space for pool or additional garden/play area. A DO NOT MISS PROPERTY!
